Project task:

Activity 5.2 Participation of stakeholders in educational process

The description of the project task:

The report on the students training should be written on the following topic: *Užice as a quality tourism product*, which will hold a lecturer *Nedeljko Valjarević*, teacher, The Board Chairman of the Tourism in Užice.

The description of the outcome:

This report is the result of joint work of the project team formed of Milutin Đuričić, PhD, Coordinator of the *MHTSPS* TEMPUS project and Nataša Čirović, PhD.

INTRODUCTION

Improving the quality of education in the field of Tourism can be achieved by modernization of existing and development of the new Tourism study programs in compliance with actual Tourism market needs. It is very complicated to find an actual task due to connection with Development policy of Serbia. According to that aim the next topic is elected: *Užice as a quality Tourism product*. Teacher Nedeljko Valjarević is researcher and his work is based on the detailed exploration of touristical products of the city Užice.

DESCRIPTION OF THE STUDENTS TRAINING

Teacher Nedeljko Valjarević, (Figure 1.), held a 90 minutes lecture: *Užice as a quality tourism product*, on the 7th November 2016. The lecture listened 28 students (18 female and 10 male).(Figure 2. and 3.).

Figure 3. Students listen very carefully a lecture

Students were very satisfied with the quality of lecture and expressed their satisfaction with thunderous applause. They asked about current parts of the lecture and explained dilemmas.

Discussion on possible entrepreneurial ventures growing from this lecture were the most interesting part of this training. The entrepreneurial business can be a possible solution for employment problems in Zlatibor region and the development of Tourism is one of the priority.

CONCLUSION

All participants pointed out that this kind of lecture are very important due to improving teaching process and it should be more practising.
