

MINUTES

From the meeting between the project coordinator and the coordinators from the partner higher education institutions from Serbia, held on 17th July, 2015, at Business Technical College's premises in Uzice. The meeting started at 17:00 CET.

The meeting was attended by: Milutin Djuricic, PhD, Milos Jovanovic, PhD, and M.Sc. Nenad Milutinovic in front of the BTC Uzice; Mr Dragan Stojanovic, from HBS Leskovac; Marija Mandaric, PhD, and M.Sc. Vesna Milovanovic in front of the UNIKG. The meeting was chaired by prof. Milutin Djuricic, PhD, coordinator of the project.

The following

AGENDA

was proposed and unanimously adopted:

1. Agreement about preparation of Second International Conference "Higher Education in Function of Sustainable Development of Tourism in Serbia and Western Balkans".
2. Briefing on training courses for both HEI and tourism employees conducted so far, with suggestions regarding future activities.
3. Briefing on public procurements of equipment conducted so far.
4. Questions and suggestions.

Regarding the first item of agenda, it has been agreed that the activities related to the preparation of Second International Conference "Higher Education in Function of Sustainable Development of Tourism in Serbia and Western Balkans" should be intensified. The goal has been set – to provide enough scientific papers from abroad in order to achieve International status for the Conference. In this regard, Marija Mandaric and Dragan Stojanovic have been zaduzena to provide the paper from United Kingdom and FYR Macedonia, respectively, while other papers are to be provided by representatives of BTC Uzice.

Information on training courses for employees conducted so far has been adopted within the second item of the agenda, with proposition of future activities. It has been concluded that activities should be finished according to plan and that training courses should be continued with new themes until the end of the MHTSPS tempus project implementation period.

Within the third item of the agenda, the coordinator of the project informed meeting participants about public procurements of equipment conducted so far. He pointed that the second round of the procurement is running as scheduled and that the bids will be opened on August 26, 2015.

There were no questions nor suggestions.

The session ended work at 19:00 CET.
