INTRODUCTION

The final meeting of the *MHTSPS* TEMPUS project held on 23rd November 2016, at Higher Business School of Professional Studies in Leskovac.

DESCRIPTION OF THE FINAL MEETING

Tourism Organization of Leskovac was the organizer of the final conference of the project “Modernization and harmonization of tourism study programs in Serbia”, on November 23rd 2016. The meeting was held at Higher Business School of Professional Studies in Leskovac. The meeting was attended by representatives of all partner institutions in the country, both academic and non - academic partners, as well as a representative of the University of Greenwich and a representative of the University of Cluj. The final conference was also the occasion for the signing of an agreement for further cooperation between the Higher Business School of Professional Studies Leskovac, Business Technical College of Vocational Studies Užice and Faculty of Hotel Management and Tourism in Vrnjačka Banja.

At the beginning of the final meeting, the achieved results of the project were presented by Coordinator of *MHTSPS* TEMPUS project, PhD Milutin Đuričić. He represents the activities to be conducted during past three years and compared it with the achieved results of all partners. He concluded that the most of the results are exceeded several times. (link za prezentaciju)

Dijana Ilić, representative of Leskovac Tourism organization (TOL) informed partners about their activities and analysis. TOL proposed some changes in curriculum for undergraduate and postgraduate study program. Including needs of the Tourism industry TOL participated in the identification of the necessary courses and organized two workshops at HBSL. Also, TOL continually worked on raising awareness of local communities, on building stakeholders and professional cooperation network by participation on fairs and TV appearances.

Marija Mandarić, PhD, Faculty of Hotel Management and Tourism in Vrnjačka Banja, University of Kragujevac, represents the results achieved by this partner: accreditation of undergraduate study program – Health Tourism, accreditation of postgraduate study program – Health Tourism and accreditation of PhD study program Management in Hotel Management in Tourism. She pointed out 3 workshops for stakeholders, partners, staff and students with 291 participants, 14 published textbooks, more than 102 signed agreements and seven lectures from stakeholders for students. (link za prezentaciju).

Dragan Stojanović, MA, representatives of High Business School of Professional Studies in Leskovac, informed partners about new undergraduate and postgraduate study programs in HBS in Leskovac, about published teaching material, about Language, Pedagogical and ICT skills training as well as about Fidelio Suite 8 program. He informed partners about purchased ICT equipment and courses in the field of Tourism (Tourism and

autochthonous gastronomic offer, Methods of valorization of tourism and autochthonous gastronomic offer potential with special overview of distance learning, Rural tourism – you shouldn't miss, Social media marketing in tourism, Molecular gastronomy, Creative gastronomy). At the end, he represented the dissemination of the project through the participation in Tourism fairs and visiting Tourism manifestations due to informing Tourism employees of the project results.

Thereafter, a representatives of non – academic institutions presents their activities. Their obligations were to organize the trainings in compliance with the EU practice and market needs which are based of new curriculums and new employees training. None of obligations are not imposed but recorded employees need and modified with the training.

Dragica Samardžić, BBA, representative of Chamber of Economy of Vojvodina, informed the participants about 43 conducted researches (22 registered economy subjects and 21 employed in tourism), about market research in line with existing study programs as well as the suggestions about new curriculum of postgraduate study programs, about 14 long – life tourism courses, about courses and workshops organized in cooperation with academic institutions in Serbia, about improvements of higher education interactions with stakeholders and professional network and about their promo activities on local media TV and 49. International tourism fair in Novi Sad.

Miroslav Rađen, MSc, the representative of the Tourist Organisation of Western Serbia (TOWS), pointed out the 40 conducted researches in Activity 1.2 Market analysis of present needs for qualified workers (18 registered economy subjects and 22 employed in Tourism). In cooperation with academic and non – academic partners, TOWS proposed changes of curriculum for undergraduate and postgraduate studies in Tourism. Also, in cooperation with Chamber of Economy Vojvodina and Užice Regional Chamber of Commerce, TOWS designed 14 long term learning tourism courses. As results of joined work with BTC Užice, two workshops of ICT skills training carried out. In addition to participation in the establishment of the cooperation network between HEI and tourism stakeholders, TOWS participated in promotional actions and was made promo material.

The representative of Užice Regional Chamber of Commerce, Mirjana Krdžić, informed participants about their activities in Zlatar, Ivanjica, Priboj (Pribojska Banja), about The Fair of Entrepreneurship in Užice and many employee trainings and workshops. (link prezentacije)

Students from the Higher Business School of Professional Studies Leskovac, who spent a month at the Technological Educational Institute of Piraeus, shared with the all participates their experiences and impressions of the stay in the partner institution.

Felix Arion, PhD, representative of The University of Agricultural Sciences and Veterinary Medicine, Cluj - Napoca, Romania was impressed by the project results and especially with the co - operations and friendly atmosphere between the partners. He warned all presents about the situation in Europe, about the stressful bureaucracy and big competition which destroyed any kind of good atmosphere and cooperation. He informed other partners that his institutions implemented all activities which are planned in work plan. After all, he will be honoured to work with partners like us.

The financial manager of the project, MSc Nenad Milutinović, presented the financial overview of the project implementation. He informed partners about the total project finances, co – financing requirements, staff costs, travel and costs of stay, indirect costs as well as about all required supporting documents

Milan Antonijević, PhD, representative of Greenwich University from London, informed the partners that his institution implemented all planned activities. He was himself very satisfied with cooperation and team work. He informed all partners about the recommendations for writing the final report on the project and emphasized the critical points from his experiences working on MCHM TEMPUS project.

At the end of the meeting, Coordinator of the *MHTSPS* TEMPUS project, Milutin Đuričić, PhD, closed the conference with his final conclusions about the achieved results as well as a great atmosphere and cooperation existed between the partners. He expressed his appreciation through the Certificates to all deserving members of project teams and legal representatives of project partners and wished to all many successful projects in the future.

The Steering Committee (participants of Final Conference) adopted the following Reports:

- The Report on partial reports of all partners,
- The Report on budget rebalance.
- The Report on implementation in general,

Some changes on existing budget were made on partner proposal and most of them were implemented.

The meeting was attended by 32 people, including 20 women and 12 men - approximately 62.5% of women of the total number of participants and 37.5% of men of the total number of participants.
